ACADEMIC SESSION : 2024-25

Message from the Principal

Dr. Pranita Baishya, M.A., B.Ed., M.Phil., Ph.D

Principal, i/c, Pub Bongsor College, Pacharia

It gives me immense pleasure to welcome all the students who seek admission into different subjects of B.A. (under GU-FYUGP) in our college. Starting with merely 37 students the college has 646 students at present. The college has seven Departments offering major and general courses.

Since its inception in 1994, Pub Bongsor College has been trying to educate and empower its students not only from academic side but also to equip the students to face the social challenges and to contribute to social developments as well.

The college has various Cells, Boards and Committees through which the teachers and the staff put forward extension activities to the student community. We are proud that within a short period of time, the college has been able to get success in several dimensions. I would like to convey my thankfulness to my young, dynamic and well-qualified faculties, and my helpful and obedient non-teaching staff. It is only because of the team work of teaching and non-teaching staff, students and people concerned, Pub Bongsor College has been able to stand on its present platform.

Once again, on behalf of the Pub Bongsor College family, I extend my words of encouragement to all new-comers into our college. I hope, your participation in the academic milieu of the college will be intellectually challenging and academically rewarding.

(Dr. Pranita Baishya)

Introduction

Pub Bongsor College at Pacharia was established on the 25th of May, 1994 by the conscious and enthusiastic local social workers of seventeen villages under Pub Bongsor Mouza in the district of Kamrup, Assam. The college is situated on the north bank of the mighty Brahmaputra, and is about sixteen kms away from Gauhati University.

After a long dedicative journey of teaching and caring-to-each-other of the college fraternity, Pub Bongsor College has been provincialized in January 2021. In exercise of the authority conferred under provision 4 (1) of the Assam Education (Provincialization of services of Teachers and re-organization of educational institutes), Act, 2017 & amended Act, 2018 & in pursuance of Govt. sanctioned order no. AHE.490/2020/25, dated 01/02/2020; the services of the employees of Pub Bongsor College, Pacharia, Kamrup have been provincialized and they are now employees of the state government with effect from 01/01/2021. The event is a remarkable in the chronology of the college as the institution witnesses a true and satisfactory culmination of a long history of untiring effort and struggle. The reward at the cost of suffering of its teaching and non-teaching staff for a long period was really meaningful in their individual lives. This was significantly a memorable moment for the college and the society of its neighbourhood as well.

The college in a rural background with its semi-urbanized look is successfully striving for quality education on the background of NEP 2020 to a large number of students since its inception. It provides the courses in humanities and social sciences. With its limited scope the institution of higher education is spreading its wings in different academic and extension activities. Different cells and committees, different coordinators of different responsibilities in the administrative hierarchy of the college are performing co-curricular and extra-curricular activities among the students and alumni.

Pub Bongsor College is the nearest Gauhati University affiliated college from the Kamrup District Headquarter, Amingaon. Being at the outskirts of Guwahati the campus has a good means of transport and communication. The institution is just three hundred meters away from the Singimari bus stand of State Highway no. 02 and conveniently connected by Pacharia-Singimari PWD Road. The scenic beauty in the midst of agricultural landscape which is free from noise pollution promotes the college for better teaching-learning environment.

Against the background of the changing scenario of Higher Education of India the neonatal collage is risking the challenges like NAAC visit under the guidance of Directorate of Higher Education (DHE) of Assam. Preparation of IDP (Institutional Development Plan) with due focus on spatial Master Plan of Pub Bongsor College is a part of that larger academic landscape and the evolutionary process of the college.

Vision

An Eco System for Sustainable Edu- Culture

Mission

Being centre of Higher Education of seventeen villages under Pub Bongsor Mouza, Pub Bongsor College is striving with the mission to be the destination of academic discourse and educational leadership of the neighbouring community of the concerned localities. With due attention to the demand of quality higher education for all, the college has been determined to contribute to the holistic philosophy of social, moral, economic and spiritual uplift of the students through a refined educational culture. To build up our own heritage, our aspirations should be nourished and fulfilled under the aegis of the Pub Bongsor College.
